

Performance Overview Red Card (Hochschwarzwald Card)

2022

The Red Card goes digital!

Since December 2021, the Red Card is only available as digital Card.

Along with this came further changes:

1. Instead of the formerly physical card, you will now get a QR-Code online.
2. The Red Card is now separated in so called **Basis Performances** and **Plus Performances**. The Basis Performances are still for free. The Plus Performances are only bookable online and you will receive a 20% discount on your tickets.

How does it work?

After you have filled in your registration form, you will be able to activate your Red Card. After the activation, you can already now book Plus Performances, like Badeparadies Schwarzwald for example.

Plus Performances can only be visited with valid online ticket! It is not possible to receive the discount on-site.

Due to deficient network coverage it may also not be possible to book on-site.

Basis Performances can be visited by showing your valid QR-Code.

Please find further Information on our new digital Red Card here:
